OUR OTHER CHRISTMAS VENUES...

As well as hosting our Christmas parties at Manchester Central, we also operate 3 other venues. Each of our party venues are class-leading in their respective city - and they are by some distance the most popular party destinations to celebrate with friends, family and colleagues.

While each venue differs slightly in layout, they share a number of things in common; superb catering, incredible entertainment and an electric atmosphere; the ingredients for a great Christmas party!

Each venue has its own dedicated website where you will find information about this year's party, including dates and prices.

CENTRALLY CONNECTED

Our venues are class-leading in all respects. Manchester and Leicester are located in their respective city centres allowing easy access and superb public transport options. While our venues in Birmingham and Milton Keynes sit outside the centre but next to main travel networks and offer free parking.

EXCLUSIVE VENUE HIRE

You can join one of our shared party nights with a group as small as 8 guests. However for larger companies (or awards dinners) we can offer the venue on an exclusive use basis, giving you private use of the incredible space and the ability to tailor the event to your requirements.

Tokens can be exchanged for the fairground rides, games and the fun money to play on the casino tables. Tokens can be purchased in advance or on the night. Profits support our chosen charities for 2026.
